

REMARKS

I. Introduction

A. Status of Specification

Replacement paragraphs have been added to convert handwritten markings into typed font. These replacement paragraphs do not add new matter.

B. Status of Claims

- Page 48 of the specification was inadvertently omitted.
- Original Claims 1-20 remain in this application..
- Claims 21-37 are cancelled.
- Claims 38-55 are new.

II. Claims

Page 48 of the specification was inadvertently omitted. This page contained part of original independent claim 21 and original dependent claim 22.

Pursuant to the Notice to File Missing Parts of Nonprovisional Application, Applicant has cancelled original independent claim 21 and original dependent claim 22 because both were partly listed on page 48. Furthermore, because the original dependent claims 23-37 depend on original independent claim 21, they are also cancelled.

Applicant has also added new claims. These are independent claim 38 and dependent claims 38-55. Claims 38-55 do not add new matter.

III. Conclusion

If there are any outstanding issues that might be resolved by an interview or an Examiner's amendment, the Examiner is requested to call Applicants' agents at the telephone number shown below.

The Commissioner is hereby authorized to charge any additional fees, which may be required, or credit any overpayment, to Deposit Account No. 50-3212.

In the event that an extension of time is required, or may be required in addition to that requested in a petition for an extension for time, the Commissioner is requested to grant a petition for that extension of time which is required to make this response timely

Appl'n. No. 10/660,103

Response dated Jan. 24, 2005

Reply to Notice to File Missing Parts of Nonprovisional Application of Nov. 15, 2004

and is hereby authorized to charge any fee for such an extension of time or credit any overpayment for an extension of time to Deposit Account No. 50-3212.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "David Yee", with a horizontal line extending to the left.

David Yee
